Subj: REQUEST FOR OIL SAMPLE ANALYSIS FOR FPN # G99034

1. Request analysis of the ⁵4 samples listed on the Chain Of Custody Record to assist in an enforcement action of case FPN # G99034
2. Questions concerning this case should be directed to On-Scene Coordinator OSC Steve Faryan at (312) 353-9351 Carol Stream, Illinois, DuPage County.
3. Samples were collected from the suspected release of Diesel Fuel along the storm ditch running to Kress Creek and the West Branch of the DuPage River in Carol Stream, Illinois.
4. Spill samples, Spill 1 ²³ involve a release from Illini Power in Carol Stream, Illinois to their storm sewer which discharge to a navigable waterway, the West Branch of the DuPage River and its tributary the Kress Creek. Spill samples 2,3, and 4 were collected from the storm sewer adjacent to the plant. *Sample 5 was collected from the outfall.*
5. At this time, it is requested for enforcement purposes that the spill/sheen samples, 2,3,and 4 be fingerprinted and matched if possible to the source samples (Sample # 1).
